GREVEN®

Revitalize Fresh Foam

Application Area

GREVEN® Revitalize Fresh Foam is especially suitable for the removal of light dirt, e.g. for jobs in offices and administration.

Product Description

The concentrate GREVEN® Revitalize Fresh Foam is a clear, blue liquid which is slightly perfumed. The foam concentrate is adapted to the natural protective layer of the human skin. GREVEN® Revitalize Fresh Foam in 1000 ml Neptune bottles has been awarded the EU Ecolabel.

Product Properties

- GREVEN® Revitalize Fresh Foam is a slightly perfumed foam concentrate which is free from soaps and alkali and which has a skin-neutral pH value.
- The nurturing ingredient glycerin maintains the skin's moisture and prevents it from drying out. In contrast to wash liquids, GREVEN® Revitalize Fresh Foam is very economical.
- GREVEN® Revitalize Fresh Foam is exclusively available in 1000 ml Neptune bottles for the NEPTUNE dispensing system.

Composition according to INCI*

WATER, GLYCERIN, SODIUM LAURETH SULFATE, PEG-7 GLYCERYL COCOATE, COCAMIDOPROPYL BETAINE, SODIUM CITRATE, CITRIC ACID, SODIUM BENZOATE, POTASSIUM SORBATE, FRAGRANCE, C.I. 42051

* (International Nomenclature Cosmetic Ingredients)

Application

Apply GREVEN® Revitalize Fresh Foam evenly on the moistened skin. Continue washing adding little water. Rinse off with plenty of water and dry hands thoroughly. If the product goes into the eyes, flush thoroughly with running water. See a doctor if the burning persists.

Certificate of Dermatological Compatibility

The dermatological compatibility of GREVEN® Revitalize Fresh Foam has been carefully tested and proven. A printed certificate is available.

Product Quality

GREVEN® Revitalize Fresh Foam is manufactured according to GMP (Good Manufacturing Practice) requirements which include the most recent EU guidelines.

Environment

All bottles are made of polyethylene and after being completely emptied, they can be disposed of with other polyethylene waste. Packaging is labeled accordingly. The surfactants used are biodegradable and fulfil the legally required minimum degradability of 90 %.

Storage Instructions

GREVEN® Revitalize Fresh Foam will keep for at least 30 months (from date of manufacture) if stored unopened at room temperature in the original packaging. The Period After Opening (PAO) is indicated on each bottle.
