Description

Plastic dispenser with 3-in-1 technology: reliable dispensing of liquid soaps, foam and hand cleansers.

- Completely hygienic system with no contact between product and dispenser
- Made of plastic
- Available in black or white
- Sturdy design
- Optionally lockable
- Drip trays (black and white) available on request
- Also available as lockable, touch-free version

Application

Universal dispenser suitable for all GREVEN® products in 1000 ml Neptune bottles.

Product Information

The NEPTUNE dispensing system offers the following advantages:

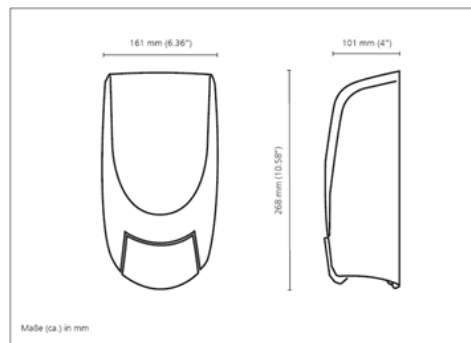

- ✓ Easy loading
- ✓ Ideal dosage
- ✓ Excellent evacuation
- ✓ Maximal hygiene with no contact between the product and the dispenser

The flexible, universal dispenser is suitable for all types of products.

The NEPTUNE dispensing system is easy to load and refills can be exchanged without much effort. The valve is part of each bottle. Since the valve is replaced with each refill, creams, lotions, gels and foams are always dispensed ideally and hygienically.

Dimensions

Width: approx. 161 mm, Height: approx. 268 mm, Depth: approx. 101 mm

Packaging

The NEPTUNE MANUAL dispenser is available as single unit in a cardboard box, incl. wall mounting material.
